

PARKLAND-MADE LOCAL FOOD INITIATIVE

Harvesting our local food potential

'The Parkland-Made Local Food Initiative is a network that joins individuals, corporations, nonprofits, and governmental agencies to build a local food system that enhances human health, promotes environmental renewal, fosters local economies, and links rural and urban communities.'

Name: _____

Farm or Business Name: _____

e-mail: _____

Phone: (h) _____ (c) _____

I am interested in the following: (please check box)

- Having my farm, product, business listed in the Parkland-made directory
- Being part of a Parkland-made advisory group or working groups
- Attending planning meetings
- Being included in project information updates by e-mail
- Being part of youth strategy planning
- Learning how to start/develop new local food products (e.g.: how to set up an egg grading station, start CSA)
- Participating in promotion of Parkland-made project
- Participating in Parkland farmers' markets
- Participating in Winnipeg farmers' markets individually or as a collective
- Planning a food hub
- Agri-tourism

My main interest(s) in Parkland-made is as a:

- Producer, farmer
- Retailer
- Consumer
- Educator
- Government representative
- Other: _____

Please include information, questions not mentioned above: e.g.: "please contact me"
